Kormilda College Scholarships

Our scholarships are designed to acknowledge students of outstanding academic talent and skill. Students who are awarded Kormilda College scholarships contribute to the rich and diverse community of the College. They receive an excellent education in superior facilities which makes Kormilda College the school of choice in Darwin. The interplay of teaching and learning encourage all students to develop their talents and to emerge as confident, well rounded individuals.

The College is currently offering the following academic scholarships. Applications for all scholarships close in Term 3 of the current year.

Entry Scholarships - Academic
These scholarships are available for new students who will begin Years 6/7 and 10 in the following year. All applicants will sit online ACER tests. These are the steps to follow: Go to www.kormilda.nt.edu.au Under Enrolment go to Scholarships Click on the ACER Login to Register for the test.

All-Rounder Scholarships
A limited number of All-Rounder Scholarships are offered to new and current students across all year levels whose contribution to the life of the College and community in general would be significant.

Candidates who are interested in this scholarship will be required to submit a portfolio which demonstrates their skills; achievements in mathematics and/or sciences and a description of their future aspirations studying in these disciplines.

The CDU Scholarships attract a $1000 per annum award continuing throughout Years 10, 11 and 12 where a student continues to display attributes in line with this scholarship.

Charles Darwin University Health and Medical Science Scholarships
These three year scholarships commence at Year 10, and are available for new and current students. Candidates must show an aptitude for mathematics and the sciences, and be able to demonstrate an interest and future aspiration towards studying medical and health related sciences.

Candidates who are interested in this scholarship will be required to submit a portfolio which demonstrates their skills; achievements in mathematics and/or sciences and a description of their future aspirations studying in these disciplines.

The CDU Scholarships attract a $1000 per annum award continuing throughout Years 10, 11 and 12 where a student continues to display attributes in line with this scholarship.

Application Process
» Complete the appropriate application form from the College website.
» Attend ACER testing held at the College for Academic Scholarships only. Date for testing is advertised on the web page in the Second Semester.
» All applicants are advised of the outcome of this process.
» Following an offer of a scholarship the acceptance letter is signed and returned to the College within 14 days.

International Baccalaureate Diploma
International Baccalaureate Diploma Kormilda is pleased to make available to new and current Year 10 students, scholarships valued at 50% of the basic tuition fee to study the globally acclaimed International Baccalaureate (IB) Diploma.

Successful applicants will be required to attend Kormilda and commit to undertake the IB as Year 11 and 12 students in 2016-17.

To be considered for this special opportunity, we require interested Year 10 students to prepare a written submission of between 500-800 words on why they would like to study the IB.

Please forward to the Registrar: registrar@kormilda.nt.edu.au or PO Box 241 Berrimah NT 0828 by 11 September 2015.
